Prohibition on re-disclosure: This information has been disclosed to you from records protected by federal confidentiality rules (42 CFR Part 2.) The federal rules prohibit you from making any further disclosure of this information unless further disclosure is expressly permitted by written consent of the person to whom it pertains or as otherwise permitted by 42 CFR Part 2. A general authorization for the release of medical information is not sufficient for this purpose. The federal rules restrict any use of the information to criminally investigate or prosecute any alcohol or drug abuse patient
